

National Wetland Restoration Symposium:

Northland April 2024

Sponsorship & Exhibitor packs

The National Wetland Trust invites you to partner with us for this exciting event

Expected attendees

- 200-250 participants
- Wetland professionals, managers, council/agency staff, ecologists
- Community groups, landowners, iwi, conservation interests, ecotourism and other businesses

Expected format

- Two days of presentations and workshops, one day field trip, covering:
 - ✓ Fires to floods – wetland and climate change
 - ✓ Iwi aspirations and projects
 - ✓ Rare habitats – dune lakes and gumlands
 - ✓ Providing for mobile wetland species
 - ✓ Wetland delineation and advances in remote sensing
 - ✓ Restoring wetland ecosystems services and biodiversity
 - ✓ Community restoration initiatives

Benefits to sponsors/exhibitors

- Company/agency recognition, promotion on the Symposium website, programme and associated advertising, inserts in delegate satchels, display space
- Unique opportunity to network with wetland professionals, government officials and other key stakeholders.
- Showcase you're achievements, products or services directly to your customers
- You may wish to view the symposium website at www.wetlandtrust.org.nz.
